

TOP 10 ACTIONS FOR LEADERS IN COMMUNITY-BASED ORGS.

Let's rethink protection to help all families impacted by domestic violence (DV) – especially Black, Indigenous, and other families of color – be safe, stable, and supported.

Organize survivors to effect change

Educate survivors on their rights in child welfare

Develop and advocate for community pathways to safety and well-being

Provide for basic needs and concrete resources

Center connections between adult survivors & their children in programs

Implement a court watch strategy

Promote language justice

Build protective factors for adult & child survivors

Use relational accountability strategies with people who use violence

Build evidence through survivor stories
